INVICTUS

OUT OF THE NIGHT THAT COVERS ME,
BLACK AS THE PIT FROM POLE TO POLE,
I THANK WHATEVER GODS MAY BE
FOR MY UNCONQUERABLE SOUL.

IN THE FELL CLUTCH OF CIRCUMSTANCE
I HAVE NOT WINCED NOR CRIED ALOUD.
UNDER THE BLUDGEONINGS OF CHANCE
MY HEAD IS BLOODY, BUT UNBOWED.

BEYOND THIS PLACE OF WRATH AND TEARS
LOOMS BUT THE HORROR OF THE SHADE,
AND YET THE MENACE OF THE YEARS
FINDS, AND SHALL FIND ME, UNAFRAID.

IT MATTERS NOT HOW STRAIT THE GATE,
HOW CHARGED WITH PUNISHMENTS THE SCROLL,
I AM THE MASTER OF MY FATE:
I AM THE CAPTAIN OF MY SOUL.

WILLIAM ERNEST HENLEY

DEDICATION

Mr. Scully has shown us, the class of 1971, the spirit and leadership which has helped our class develop. For this reason he has earned our respect and gratitude.

He has been an inspiring coach in football and in hockey and has shown us how to accept defeat as well as enjoy victory.

As a shop teacher he has been a fair and honest instructor.

For these reasons, we the class of 1971, do hereby dedicate the 1971 Invictus to Mr. John Scully.

SUPERINTENDENT — DIRECTOR

DONALD E. GRAVES

Congratulations Seniors! It has been most gratifying working with you as individuals and as a class in helping to develop Southeastern Regional Vocational-Technical School to the high level that has been attained in the four years of its existence.

In this age of rapid change in social and educational patterns many hurdles have been overcome during the past four years as you pursued your studies, and obtained the basic academic and vocational training required by today's society.

Again my best to you!

At other times, I have referred to the fact that Southeastern was a new school with many experiences to encounter and traditions to develop. With the graduation of the Class of 1971, it should be noted that our school has now been in existence four full school years. Experiences have been encountered; tradition is being developed.

The success which Southeastern is enjoying is without question due in large part to the conscientious effort, seriousness of purpose and dedication to values of our students. We expect that the contribution to Southeastern's experience and tradition made by the Class of 1971 will significantly determine the role of the school in years to come.

The contribution of the Class of 1971 to these factors is notable. I congratulate you and wish you the best of good fortune in the years to come.
